**N.1/H.9791/49**

**Dear Captain Malatesta,**

**In reply to your letter of 17th November, 1949, (ANCB.336), asking for information about the selection of radiotelegraphic and signalling operators, I enclose a brief description of the selection and training of communications ratings in the Royal Navy and particulars of the medical standards required.**

**Believe me,  
Yours very truly,**
